

Craig, Fitzsimmons & Meyer, LLP (CFM) Accounting Scholarship - St. Joseph's College

CFM Scholarship History: The Partners of Craig, Fitzsimmons & Meyer, LLP CPA's established this Scholarship to recognize the founder of their firm Conrad R. Sump (f/k/a Conrad R. Sump & Company, CPA's). Conrad held an undergraduate degree from Gettysburg College in Political Science. Upon graduation Conrad enlisted in the US Army and rose to the rank of Lieutenant. After his return from his duties overseas Conrad enrolled in a night program at the NYU Stern School of Business. He earned his master's in accounting while simultaneously working full-time for a NYC based CPA firm. In 1964, upon completion of his studies and earning his license as a Certified Public Accountant Conrad founded Conrad R. Sump & Company. Two of the firm's current partners started their professional careers as interns while attending local colleges. Knowing the difficulty of attending school while working close to full-time they desired to establish students in situations similar to theirs, working while attending school. They established this scholarship for upper class accounting majors planning on enrolling in an accounting internship program within the academic year. The goal of the scholarship is for the student to benefit from the practical knowledge gained working as an intern and to provide financial assistance.

Scholarship Purpose: The purpose of the scholarship shall be to support undergraduate students, in good academic standing, with demonstrated financial need, who are employed while they pursue their studies and who will hold an internship in the accounting field.

Scholarship Eligibility & Requirements: Eligible students will need to have, enrolled, completed and or be pursuing the following:

- Enrolled at St. Joseph's College
- Remain in good academic standing
- File a FASFA form with the Office of Student Financial Services
- Provide information regarding a current or future internship placement
- Currently have a full-time or part-time job
- Completed resume
- Personal statement of no more than 400 words that addresses the following questions: Why are you pursuing a degree in accounting? What are some of your professional and personal goals – both as a student and after graduation?

How to Apply: Students can apply for the scholarship by accessing the google form below. Any additional questions or concerns can be directed to Flavio Bollag, Executive Director of Development.
